NON-RESPONSIVE AMENDMENT

Claims 1-2, 4-9, 11-16 and 20 are pending and remain subject to the indications of the office action mailed 01 March 2007.

Response to Amendment

The reply filed on 01 August 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's response to the Requirement for Information (mailed 01 March 2007) is incomplete, Applicant is required to submit answers to specific questions regarding Applicant's knowledge of original Specification cited background material (Requirement: page 4, items 1-3; Requirement: page 4, paragraphs beginning "Additionally, in response to ..."; Applicant's responses regarding at least exemplary items iv) and v) of the Requirement are unclear seeming inconsistent with the background section of the originally filed Specification (for example, Applicant's Specification makes mention in the background of knowledge of previous work done by others, yet Applicant's current response fails to provide any evidence of that knowledge; additionally item iv) is at time of application, not invention). See 37 CFR 1.105, 1.111, and 1.135. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid

abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED
UNDER 37 CFR 1.136(a).
